### PROJECTS

#### Corte Salon Website

[Website: corteindia.com](https://corteindia.com)

Developed a modern, fully responsive website for Corte Salon, a local business based in Jalandhar, to establish their online presence and enhance customer engagement.

- Utilized React.js for building reusable UI components and dynamic content rendering
- Implemented Bootstrap for mobile responsiveness and layout consistency
- Focused on SEO-friendly structure and performance optimization

#### OD IT Solutions Website

[Website: oditsolutions.ca](https://oditsolutions.ca)

Contributed to the design and development of a dynamic website for OD IT Solutions, a Canada-based tech company providing digital solutions.

- Collaborated on front-end development using HTML, CSS, and JavaScript
- Designed and implemented user interface sections and layout components
- Ensured cross-browser compatibility and responsive behavior on all devices

## My Portfolio Website

website: <https://cheerful-tarsier-a76971.netlify.app/>

Created a sleek and fully responsive portfolio website to showcase front-end development projects and technical skills.

- Built using React.js with component-based architecture
- Employed Tailwind CSS for responsive layout and consistent design system
- Integrated Framer Motion for smooth animations and enhanced user interactions
